New Member Welcome Paragraph

Each month, we send our members our *CNJG News* e-newsletter. We like to introduce our new members to the rest of the membership with a short paragraph that you write and submit to CNJG about who you are and what you fund. Here are two examples of previous welcome messages that you can use as a guide.

Previous welcomes:

The PNC Financial Services Group, Inc. is one of the United States' largest diversified financial services organizations. PNC, operating primarily in 19 states and the District of Columbia, provides retail and business banking; residential mortgage banking; specialized services for corporations and government entities, including corporate banking, real estate finance and asset-based lending; wealth management and asset management. Through executive leadership, strategic investments and employee volunteerism, PNC is helping to build strong communities and create financial opportunities for individuals, families and businesses.

The Henry S and Agnes M Truzack Foundation was established by Henry & Agnes Truzack who were lifetime residents of Union County, NJ. According to Paul Stierhoff, the Trustee of the Truzack Foundation, both Henry and Agnes were great lovers of music. Henry played the violin and had performed with the Montclair and Summit Symphonies; Agnes played the piano, gave lessons to local youth and taught music in the Linden, NJ school system for many years. The foundation supports many initiatives throughout the state of New Jersey and beyond, but has a definite focus on organizations that operate in and around the Union County area and/or organizations that support the musical arts.
