LOG IN

Welcome to the new Council of New Jersey Grantmakers' website! The login process is a little different from our previous site.

If you previously had a CNJG Website Account, your username is now your e-mail address. If you haven't done so already, please use the [Forgot Password?](#) link to setup your account.

If you're not sure if you had a CNJG Website Account, you can also use the [Forgot Password?](#) link to see if an account already exists in our system. If the system doesn't recognize your email address, you will then need to create an account using the [Register a New Account](#) link.

For CNJG Members that need to register a new account, please allow up to 1 business day for your account to be updated with all of your membership benefits.

Have a question? Please contact Joia Ingram at (609) 341-2022 ext. 4216.
